

LIFE MEMBERSHIP FOR BRENDA

Following the unanimous vote at the 2010 AGM, our hard-working president, Brenda McFeeters is now a life member of Wallace House.

Brenda is in her 6th year as president and has always given 110%.

Congratulations, Brenda - a well-deserved award!

RECOGNITION FOR ROBERT

At the delegates meeting on May 10, Robert Harman was given a past-president badge in recognition of the outstanding work he has done as President and still does as a member.

Thank you, Robert.

MOTHERS' DAY SALE

The sale was held on May 1 and was certainly well-supported by the members. We had strong competition from the Rotary Book Fest and Noosa Food and Wine Festival. It was also a glorious day for the beach after the rain during the week.

However, we had reasonable sales and it was a great social event for those on duty. We had a stream of visitors but still time to catch up and chat to other group members.

Perhaps not our best event in terms of sales but fun for the workers!

NEW BOOK GROUP

Wallace House members and friends are invited to join a **new book group** which will meet in the Boronia room on the second Monday of every month. So if you are interested in combining a love of reading, discussion and a social gathering, we would love to hear from you.

Second meeting will be held on Monday June 14 - 10am to noon. Please register your interest with Judith Anderson on 07 5471 1892.

SNOWYBRIGHT & THE EIGHT DWARFS

Following the successful launch of this book at Wallace House member Neville Mills has made some copies available for sale through Showcase.

So if anyone is interested in an innovative children's book, have a look at this one - it's fun and educational and only \$17 per book.

OILS & ACRYLICS

It is always a pleasure to see how our members extend themselves and improve all the time. Some great work has been painted and donated to a good cause in Uganda. The portraits of African children were painted by Robert Harman, Gina Barclay and Wilhelmina Findhammer. They are of a high standard and should bring relief to children. Gwenda Apel, Rose Barry, Cheryle Heiler, Pauline Doerfler and Anne-Marie Jones have entered works in the Coastal Art Awards opening on the 11th of May, 5.00pm. at the Noosa Marina.

A correction needs to be made in the date of our Exhibition. Apologies to anyone who turned up this month. It is actually opening on the **23rd of July** and we nearly have a full complement of artists to exhibit in the main Gallery. Please sign your name on the sheet as soon as possible if you intend to exhibit.

Welcome to new member Frances Bates and thank you to Cheryle Heiler who has donated two wonderful books to our library.

ARTISANS AT WORK

Our display of Artisans at Work, held in the Noosa Civic Shopping Centre on Friday, 23rd April, proved to be a wonderful exercise in PR and marketing Wallace House. Busy shoppers soon found time to stop and watch, and quickly became engaged in conversation with the artists at work, eagerly asking questions and showing a very high level of interest in Wallace House as an Arts and Crafts centre.

We told them about our regular activities, our workshops, our annual events including the forthcoming Mother's Day Sale and Watercolour exhibition and what a friendly place the House is. Many took member application forms away with them, together with information leaflets and flyers. The day was most enjoyable. We talked to everybody and anybody and I was confident that many of our visitors would be paying the House a visit in the near future. A week later, we have signed up 3 new members who all referred to the Noosa Civic display.

I am very grateful to all the volunteers who came along to showcase their craft – Jeni, Sandie, Wendy, Jill, Pat, Sue, Sylvia, Sheila, Mollie, Sally, Beatrice, Brenda, Joy, Judy, Lainey and Anne. A big thank you to you all.

WATERCOLOUR EXHIBITION

WAGS and WOW combined their talents to launch an exciting and innovative exhibition with the theme of "Doors", which opened to the public on Friday, 7th May. Many local doors were chosen because of attractive and interesting features and were then reproduced in beautiful watercolour paintings. Did you find your door featured?

In addition to local doors, we also had a selection of international doors and the exhibition was rounded off with a selection of mixed subjects which included florals, landscapes, seascapes and others. Well-known local artist James Ainslie formally opened the exhibition, saying that watercolour was a difficult medium to work with and that we must all have masochistic tendencies to enjoy it! In spite of these, he congratulated all participating artists on the quality of the work on display.

The opening evening was a great success with almost 100 visitors attending. Cheese and wine were enjoyed by all and people took the opportunity to buy raffle tickets for the painting kindly donated by Owen Thomas, and also to join in the fun by guessing who were the "ghosts in the doorway" in Holly's imaginative painting! Winners of both these competitions will be announced at the end of the exhibition.

Grateful thanks to all those volunteers who worked so hard doing the hundred and one things which go to making such a great exhibition.

Maybe they're the ghosts in the doorway!

BUSY BEADERS

We are back and busy making exciting items of Jewellery the 1st & 3rd Thursday of every month at 1pm. We have two new ladies and another one who is coming next Thursday to have a look and see what we do - so we will have to be on our best behaviour and not put her off. These new members may make some really different items, which is what we want in our group. The House had a good Mothers' Day Sale.
